We are privileged to have Mike & Mary Foral present our Dancer's Workshop this year.

This is the 12th year we have held this program. It was started for the instructors but is open to all interested dancers. This clinic will allow dancers at every level of experience to benefit from the techniques presented.

The cost for the clinic is $10 per person, payable at the door.

Although there is no pre-registration, we request that you email the Festival Chair, Rey & Sherry Garza at reycuer@reygarza.com to let us know you're interested in attending.
